

KLOVE radio station is a Christian station that has made a huge impact on my family as well as the community at large - in fact, KLOVE has made a tremendous impact on a national scale. My family only listens to KLOVE now - my teenage sons love to attend the concerts that KLOVE sponsors and we attend these as a family. KLOVE needs to be able to stay on the air at all costs, not to be replaced by a LPFM broadcaster. The music on KLOVE not only impacts the Christian community, but has crossed over into mainstream music stations. Please help keep KLOVE on the air!
